BRYCE ROWELL

Food and Beverage Manager

With the calendar now flipped to April, the food and beverage staff will be welcoming a whole host of new summer staff. This is an exciting time of year as we expand our team and prepare to open the Snack Shop and Dive Bar. In the meantime, hEAT will be launching a spring seasonal menu with fun new food and drink options.

ROOM86 will also be undergoing some changes, with Chef Mike and Chef Rob starting to put their own stamp on things. We'll be adding new dishes to the menu, focusing on fresh, seasonal ingredients. Matt and his bar staff already have their spring cocktail menu out, and it's their best one yet.

We recently held a wine dinner at ROOM86 with Bjornsson Vineyards, which was a huge success. Next up, we have a beer dinner at hEAT with Pint Nine Brewing Company on April 23. Palm Sunday brunch at hEAT on April 13 and Easter brunch at ROOM86 are annual events that always sell out, so be sure to get your reservations in early!

Whether you're attending one of these events or stopping by to try one of our new dishes, there are plenty of great opportunities to use up any leftover food minimums before the end of the month.

Counting the days until pool season...

Cheers,

Bryce
